

"I have decided to pursue a career in the Hospitality Industry because of my time in the Culinary program. I joined it because I wanted to get experience to help me find a job when I graduate. The program has done so much more than that for me!"

- "G", age 18

Experience

Youth learn employable job skills including customer service and Barista experience with some being employed through the Bakery

Culinary Skills

The 6-month program introduces youth to the world of work through hands-on learning baking, cleaning, serving, and creating

Confidence

Mastering skills and gaining experience builds confidence and prepares at-risk and special needs youth for the world of work
